NOSE

Keeping with the LÜVO style, this wine is both aromatic and refreshing, expressing notes of peach, rose and tropical fruits with subtle hints of fresh-cut mint. Infusing fresh cut mint in our Muscat wine enhances the already existing aromatics present in the wine, intensifying the overall aromatics.

PALATE

Refreshingly dry and bursting with aromatics, this wine spritzer expresses notes of tropical fruit supported by a subtle mint undertone. The lively bubble combines with expressive aromatics, creating this uniquely refreshing and approachable spritzer.

PAIRINGS

Enjoy this wine with fresh and light fare such as sushi, chickpea salad with mint and fresh spring rolls. Muscat + Mint also pairs well with a local favourite: Steamed mussels with fresh herbs.

NOTES

Fresh-cut mint, grown and sourced locally, is infused in our Muscat wine to lift the aromatics and create this flavour infusion between wine and mint. As is typical with New York Muscat, the color of the wine can vary in colour from very pale rose gold to light pink depending on the vintage. This year, our colour is very pale rose gold.
